**Toronto, ON – January 19, 2021** – Leveljump Healthcare Corp. (TSXV: JUMP) (“Leveljump” or the “Company”), a Canadian leader in B2B telehealth solutions, is pleased to announce that its subsidiary, Canadian Teleradiology Services, Inc. (“CTS”) has secured contracts with a network of four hospitals, located in Southern Ontario.

CTS anticipates that the new client hospitals billings will increase the Company's revenues by approximately 7-11%.

CTS services will be predominately provided for emergency overnight services and focused on patients requiring CAT scans as well as other medical imaging scans.

The Company has employed more radiologists in order to accommodate each hospital's needs.

The onboarding of the new clients has already begun with IT integration and radiologist credentialing. CTS services are expected to commence during the first quarter of 2021.

“We are honoured to be selected as the provider of emergency teleradiology reporting for these hospitals,” said Mitchell Geisler, CEO of Leveljump Healthcare Corp. “This contract will increase our client base, which will significantly increase our revenues and cash flow. Moving forward, we intend to continue growing our brand in order to establish ourselves as a leader in the teleradiology space in Canada.”
