Telehospital Purchase

Further to its news releases of October 1, 2021, and November 16, 2021, LevelJump announces that closing of the Telehospital Purchase, which had originally been scheduled for the end of January 2022 and then extended to February 28, 2022, has now been further extended to April 30, 2022 to allow additional time to complete required due diligence and to ensure that sufficient financing is in place to enable the Company to meet its funding obligations. The Company wishes to announce that, further to its news release of January 21, 2022, it has extended the closing date on its previously announced non brokered private placement of 16,666,667 units at a price of \$0.15 per unit for gross proceeds of \$2.5 million.
